

# HOW YOUR ENTIRE TEAM BENEFITS FROM

## GetConnected community

From the Volunteer Coordinator to the Board, your entire team will benefit from GetConnected Community. But in order to make the most for your investment, it's essential that your key members become acquainted with your new volunteer management platform and its unique benefits.

### VOLUNTEER COORDINATOR

The volunteer coordinator is the front line and direct link between your organization and its volunteers. GetConnected Community is an intuitive tool that will help reduce administrative time and frustration. What's more, your system is online and paperless, so the tools and information you need is centralized and easily-accessible.

#### FOCUSED FEATURES

**COMMUNICATIONS TAB**  
communicate efficiently

**SELF SIGN-UP**  
save administrative  
time

**VOLUNTEER PROFILE**  
engage volunteers

### MARKETING

GetConnected Community provides plenty of engaging content for your outreach efforts. Boost engagement with social media. You can share opportunities and events with a click, so whether you're a marketing novice or a communications aficionado, you'll always have engaging, professional content on hand.

#### FOCUSED FEATURES

**IMPACT PAGES**  
customizable, engaging  
site content

**EMAIL BLAST**  
effectively target  
communications

**BLOG**  
keep volunteers and  
agencies up to date

### RESTORE MANAGER

With program manager access, the Restore Manager can coordinate their own opportunities and programs autonomously. Easily check in volunteers upon arrival, so their hours are logged and associated with the program.

#### FOCUSED FEATURES

**CHECK-IN KIOSK**  
improve hours data  
accuracy

**MULTI-SHIFT SCHEDULING**  
manage systematic  
shift listings with ease

### CONSTRUCTION COORDINATOR

Coordinate all aspects of construction projects with a management tool that's intuitive and tailored for your needs. Create opportunity listings that are construction specific, so you can focus on your volunteers.

#### FOCUSED FEATURES

**VOLUNTEER  
GETCONNECTED (APP)**  
volunteers can simply  
check in on their phones

**e-SIGN WAIVERS**  
go paperless!

### DEVELOPMENT OFFICER

You drive growth. So it's important to have the tools you need to convey the vision of your organization and secure funding for its future. GetConnected Community has robust hours tracking and reporting capabilities, plus the engagement features you need to turn your volunteers into regular donors.

#### FOCUSED FEATURES

**VOLUNTEER  
GETCONNECTED (APP)**  
hours tracking has never been  
easier with our mobile app

**CUSTOM QUESTIONS**  
collect the data you need  
to secure funding

**DONATIONS  
COMPATIBLE**  
inspire donations  
seamlessly

### EXECUTIVE DIRECTOR

When it comes to developing a plan for achieving your organization's mission, you need access to up-to-the-minute, automated data tracking. Prioritize personal connections: thank your best supporters with our top volunteer and donors reports. With GetConnected Community, you can oversee growth and provide insightful input for long-term goals.

#### FOCUSED FEATURES

**USER GROUPS**  
bolster corporate  
connections

**IMPACT PAGES**  
inspire support,  
tell your story visually

**DATA  
TRACKING**  
save time,  
stay informed

### THE BOARD

Understand organization-wide and program-specific impact, or learn about volunteer engagement with our repeat volunteerism report. Assess growth for future decision making and goal setting with your software's accurate data tracking and detailed reports. All the information you need to make the case for your organization is readily-available.

#### FOCUSED FEATURES

**GOAL SETTING**  
track target goals and  
motivate supporters

**ROBUST REPORTS**  
informative reports

**TRACK SUCCESS**  
track your programs and  
community partners
